

**BERMUDA GOVERNMENT
L.F. WADE INTERNATIONAL AIRPORT**

Prior Permission Required (PPR) for Landing and or Take-off during Unmanned Hours

Any request for take-off and/or landing at Bermuda L.F. Wade International Airport between 2300 hours and 0700 hours local time, must be submitted for approval 24 hours prior to the planned day of the flight.

I agree to make the payment of such fees **NOT TO EXCEED \$10,000.00** to the name of the **Accountant General**, and thereafter forward same to the attention of the **Bermuda Fire and Rescue Service** at #15 Waller's Point Road, St. David's, Bermuda for the activation of requested ARFF services after 2300 hours and before 0700 hours local time.

I also agree to pay said fee should I elect to cancel said operation without four (4) hours prior notification.
